FOREWARD

A meeting was held on October 12, 1977 between Mr. David Chafe, Director, Metals Information Services, American Society for Metals (ASM) and Dr. J. Kanasy, A.S. Romaniuk, R. MacDonald and C. Dixon of TID, CANMET. Subjects for discussion were ASM information services in general and METADEX and updating the ASM thesaurus in particular. Mr. Chafe expressed interest in obtaining titles of periodicals in the field of metals and metallurgy that were not being abstracted by Metals Abstracts.

In response to this request the following list was prepared. These journals are held by the CANMET Library, are related to physical metallurgy and are not indexed by Metals Abstracts according to the list of journals in the 1976 Metals Annual Index. The following list will be forwarded to Mr. Chafe.
